Dedication

With sincere thanks for all that she has done for us, we gratefully dedicate the 1962 edition of THE WILDCAT to Mrs. Marie Hughes. In her forty-three years of teaching at Aguilar Public School, Mrs. Hughes has served us with patience and understanding. Her thoughtful guidance will long be remembered., as we will remember our dear " Mrs. Shoes".

ADMINISTRATION

I firmly believe that each child should be afforded the opportunity of moving through education, based on his ability, interests and motivations. This should be done if we are to be consistent with the democratic principles of our country.
